**MAJOR AND CONNECTED TRANSACTION
IN RELATION TO THE ACQUISITION OF
THE ENTIRE ISSUED SHARE CAPITAL OF
THE TARGET COMPANY INVOLVING ISSUANCE OF
CONSIDERATION SHARES UNDER THE GENERAL MANDATE**

References are made to the announcements of Forgame Holdings Limited (the “**Company**”) dated 22 October 2020, 13 November 2020, 18 November 2020 and 20 January 2021 pursuant to which Foga Tech, a wholly-owned subsidiary of the Company, entered into a sale and purchase agreement (“**First Acquisition Agreement**”) with Baseway (as the vendor) and Ms. Gu and Shenzhen Binghong (as the guarantors) to acquire the entire issued share capital of Spacevision (collectively the “**Announcements**”). Unless otherwise specified, capitalised terms used herein shall have the same meanings as those defined in the Announcements.

ACQUISITION OF TARGET COMPANY

The Board is pleased to announce that on 6 April 2021, the Purchaser, a wholly-owned subsidiary of the Company, entered into the SPA with the Vendor and the Guarantors, pursuant to which the Vendor has conditionally agreed to sell, and the Purchaser has conditionally agreed to acquire, (i) the Sale Shares, representing the entire issued share capital of the Target Company; and (ii) the Sale Loan in the sum of approximately RMB52.1 million, in cash and through the allotment and issuance of Consideration Shares at the Issue Price of HK\$1.92 per Consideration Share at an aggregated consideration of approximately RMB92.1 million.

On 6 April 2021, the Guarantors, the shareholders of Shenzhen Binghong, entered into the Undertaking Agreement with the Target Company, pursuant to which, among other things, the Guarantors have jointly and severally undertaken to transfer the entire equity interest of Shenzhen Binghong to the Target Company or another wholly-owned subsidiary of the Company designated by Target Company (the “**designated nominee**”) at the cost of the Guarantors. Upon Completion, the Target Company and Shenzhen Binghong will become indirect wholly-owned subsidiaries of the Company and their financial results will be consolidated into the Company’s consolidated financial statements.

IMPLICATIONS UNER THE LISTING RULES

Since the SPA is signed within 12 months of the First Acquisition Agreement and these agreements involve the acquisition by the Group of companies which are connected to or otherwise associated with Ms. Gu, they are required to be aggregated pursuant to the Listing Rules.

Since one or more of the applicable percentage ratios (as defined under the Listing Rules) in respect of the transactions on an aggregated basis are more than 25% but all of such ratios are less than 100%, the Purchase constitutes a major transaction of the Company under Chapter 14 of the Listing Rules and is subject to the reporting, announcement, circular and shareholder’s approval requirements under the Listing Rules.

As Ms. Gu is interested in approximately 10.69% of the issued share capital of the Company as at the date of this announcement, she is a substantial shareholder of the Company and hence a connected person of the Company under the Listing Rules. As Ms. Gu beneficially owns 70% equity interest of the Vendor, the Vendor is an associate of Ms. Gu and a connected person of the Company. Accordingly, the Purchase constitutes a connected transaction of the Company under Chapter 14A of the Listing Rules and is subject to the reporting, announcement, circular and independent shareholder’s approval requirements under the Listing Rules.

GENERAL

An EGM will be convened and held to consider and, if thought fit, approve the Purchase.

A circular containing, among other things, (i) further details of the Purchase; (ii) a letter of advice from the Independent Board Committee to the Independent Shareholders in respect of the Purchase; (iii) a letter of advice from the independent financial adviser to the Independent Board Committee and the Independent Shareholders in respect of the Purchase; (iv) the financial information of the Target Group; (v) the valuation report on the Target Group; and (vi) a notice convening the EGM, will be despatched to the Shareholders on or before 27 April 2021, as additional time is required to prepare, among other things, the financial information to be included in the circular.

Shareholders and potential investors should note that the Purchase is subject to a number of conditions which may or may not be fulfilled. Shareholders and potential investors of the Company are reminded to exercise caution when dealing in the Shares and securities of the Company.

THE PURCHASE

On 6 April 2021, the Purchaser, a wholly-owned subsidiary of the Company, entered into the SPA with the Vendor and the Guarantors, pursuant to which the Vendor has conditionally agreed to sell, and the Purchaser has conditionally agreed to acquire, the Sale Shares and the Sale Loan at the Consideration of approximately RMB92.1 million.

The principal terms and conditions of the SPA are set out below.

- Date: 6 April 2021
- Parties:
- (i) The Purchaser
 - (ii) The Vendor
 - (iii) The Guarantors

To the best of the Directors' knowledge, information and belief having made all reasonable enquiries, as at the date of this announcement, (i) Ms. Gu is interested in approximately 10.69% of the issued share capital of the Company; and (ii) Ms. Gu beneficially owns 70% equity interest of the Vendor, so the Vendor is an associate of Ms. Gu and a connected person of the Company. Therefore, the Purchase constitutes a connected transaction of the Company under Chapter 14A of the Listing Rules.

Assets to be acquired

Pursuant to the SPA, the Vendor has conditionally agreed to sell to the Purchaser, and the Purchaser has conditionally agreed to acquire from the Vendor, the Sale Shares and the Sale Loan at the Consideration of approximately RMB92.1 million.

The Sale Shares represent the entire issued share capital of the Target Company as at the date of the SPA and immediately before Completion. The Sale Loan represents the amount of approximately RMB52.1 million due and owed by the Target Group to the Guarantors or companies majority-owned by either of them as of the date of the SPA.

The Undertaking Agreement and the Transfer

On 6 April 2021, the Guarantors, the shareholders of Shenzhen Binghong, entered into the Undertaking Agreement with the Target Company, pursuant to which, among other things, the Guarantors have jointly and severally undertaken to transfer the entire equity interest of Shenzhen Binghong to the Target Company or another wholly-owned subsidiary of the Company designated by Target Company (the “**designated nominee**”) at the cost of the Guarantors.

Upon completion of the Transfer, Shenzhen Binghong will be wholly-owned by the Target Company or the designated nominee (as the case may be).

The Consideration

The aggregate consideration of the Purchase (including the Transfer) is approximately RMB92.1 million, which shall be payable by the Purchaser or its subsidiary to the Vendor or the Guarantors through the Consideration Cash of approximately RMB63.0 million and the Consideration Shares in amount of approximately RMB29.1 million (equivalent to approximately HK\$35.0 million) in the following manner:

The Consideration Cash:

- (i) The cash consideration of the Transfer will be paid by the Purchaser or its subsidiary (i) to the Guarantors in the amount of approximately RMB10.9 million, making reference to the net asset value of Shenzhen Binghong as at 31 January 2021; and (ii) to Shenzhen Binghong based on the amount of the Sale Loan of approximately RMB52.1 million.

The Consideration Cash will be financed by internal resources of the Group.

The Consideration Shares:

- (ii) Upon Completion, the remaining balance of the Consideration of approximately RMB29.1 million (equivalent to approximately HK\$35.0 million) shall be satisfied by the allotment and issuance of an aggregate of 18,208,768 Consideration Shares to the Vendor (or its nominees) at the Issue Price of HK\$1.92 per Consideration Share. Such Consideration Shares shall be listed on the Main Board of the Stock Exchange.

The Consideration has been arrived at after arm's length negotiations between the Purchaser and the Vendor and the Guarantors, on normal commercial terms after taking into account, among other things, (i) the historical financial performance and potential business prospects of the Target Group; (ii) the valuation in the valuation report of the entire equity interests of the Target Group of approximately RMB40.0 million as at 31 January 2021 prepared by an independent valuer pursuant to the SPA; and (iii) the Sale Loan of approximately RMB52.1 million due and owed by the Target Group to the Vendor or its subsidiaries and such further amount(s) as may be advanced on or before Completion by the Vendor or its subsidiaries to the Target Group.

Consideration Shares

The number of the Consideration Shares to be issued represents (i) approximately 12.4% of the existing issued share capital of the Company as at the date of this announcement; and (ii) approximately 11.0% of the issued share capital of the Company as enlarged by the allotment and issuance of the Consideration Shares.

The Consideration Shares will be allotted and issued at the Issue Price of HK\$1.92 per Consideration Share, which represents:

- (i) the closing price of HK\$1.92 per Share as quoted on the Stock Exchange as at the last trading day immediately prior to the date of the SPA;
- (ii) a discount of approximately 0.52% over/to the average closing price of HK\$1.91 per Share as quoted on the Stock Exchange for the last five (5) consecutive trading days immediately prior to the date of the SPA;
- (iii) a discount of approximately 2.54% to the average closing price of HK\$1.97 per Share as quoted on the Stock Exchange for the last twenty consecutive trading days immediately prior to the date of the SPA; and
- (iv) a discount of approximately 58.4% to the audited net asset value per Share of approximately HK\$4.61 per Share of the Company as at 31 December 2020.

The Issue Price was arrived at after arm's length negotiations between the Purchaser and the Vendor and the Guarantors with reference to the prevailing market price of the Shares and the current market conditions. The Directors consider the Issue Price is fair and reasonable.

The Consideration Shares to be allotted and issued shall be credited as fully paid and rank pari passu with all other Shares in issue in the share capital of the Company. Application will be made by the Company to the Listing Committee for the listing of, and permission to deal in, the Consideration Shares.

The Consideration Shares will be allotted and issued under the General Mandate. The Directors were authorised to allot and issue up to 22,261,087 new Shares pursuant to the General Mandate. 	(unaudited)	(unaudited)	(unaudited)

Profit after taxation	781	1,952	4,782

Based on the unaudited consolidated financial statements of the Target Group, the net asset value of the Target Group as at 31 December 2020 was approximately RMB9.6 million.

REASONS AND BENEFITS FOR THE PURCHASE

The Company is principally engaged in developing and publishing domestic and overseas webgames and mobile games in the PRC, providing internet micro-credit service, as well as trading of electronic device and semiconductor in the PRC.

The Group have been actively identifying new investment opportunities in order to diversify the industry risks faced by the Group's individual business.

The Target Group is engaged in providing commercial factoring and private securities fund management services. Shenzhen Binghong Commercial Factoring is a commercial factoring service provider. Shenzhen Sijia Capital is a private equity investment company that can provide private equity services in the PRC. The Board believes that the Target Group will continue to capture the growth opportunities in the commercial factoring and asset management services industry in the PRC and contribute to the financial performance of the Group.

The Directors are of the view that the Purchase provides the Group with a number of benefits. In the year 2020, the PRC government had been focusing on developing supply chain financial services, digital economy and supporting bricks-and-mortar enterprises through national policies. The Board considers that factoring business is one of the ways to tap into the supply chain financial services industry in the PRC and the Purchase would be an invaluable opportunity for the Company to diversify the industry risk faced by the Group's individual business. Accordingly, the Board is of the view that Shenzhen Binghong Commercial Factoring will provide a suitable platform for the Company to leverage on its expertise and human resources to capture a market share of the commercial factoring business in the PRC.

In addition, the Company's wholly owned subsidiary, Shenzhen Xingyun, has an experienced team with expertise in the sales of digital storage devices, which the Board considers to be an advantage for the Company to expand into the business of fintech and the digital economy.

Taking into account of the above, the Directors consider that (i) the Purchase represents a valuable opportunity for the Group to tap into the factoring and supply chain financial services business in the PRC, which is highly regulated; (ii) the Purchase will allow the Group to diversify its income source; and (iii) the terms of the SPA, including the Consideration, which are determined after arm's length negotiations between the Purchaser and the Vendor and the Guarantors, are fair and reasonable and in the interest of the Purchaser, the Company and the Shareholders as a whole for the following reasons:

- (i) it is estimated that the COVID-19 pandemic will continue to exert negative impact on the overall economy as well as the operation and the financing activities of the Group in the short term. It is in the interest of the Company to preserve its financial resources for the business development of the Group. The issuance of Consideration Shares as partial payment of the Consideration would reduce the cash-flow pressure on the Group and is beneficial and in the interest of the Company; and
- (ii) the Consideration and the Issue Price were arrived at after arm's length negotiation between the Company and the Vendor and the Guarantors with reference to the valuation report of the Target Group and the prevailing market prices of the Shares.

IMPLICATIONS UNER THE LISTING RULES

Since the SPA is signed within 12 months of the First Acquisition Agreement and these agreements involve the acquisition by the Group of companies which are connected to or otherwise associated with Ms. Gu, they are required to be aggregated pursuant to the Listing Rules.

Since one or more of the applicable percentage ratios (as defined under the Listing Rules) in respect of the transactions on an aggregated basis are more than 25% but all of such ratios are less than 100%, the Purchase constitutes a major transaction of the Company under Chapter 14 of the Listing Rules and is subject to the reporting, announcement, circular and shareholder's approval requirements under the Listing Rules.

As Ms. Gu is interested in approximately 10.69% of the issued share capital of the Company as at the date of this announcement, she is a substantial shareholder of the Company and hence a connected person of the Company under the Listing Rules. As Ms. Gu beneficially owns 70% equity interest of the Vendor, the Vendor is an associate of Ms. Gu and a connected person of the Company. Accordingly, the Purchase constitutes a connected transaction of the Company under Chapter 14A of the Listing Rules and is subject to the reporting, announcement, circular and independent shareholder's approval requirements under the Listing Rules.

GENERAL

An EGM will be convened and held to consider and, if thought fit, approve the Purchase.

A circular containing, among other things, (i) further details of the Purchase; (ii) a letter of advice from the Independent Board Committee to the Independent Shareholders in respect of the Purchase; (iii) a letter of advice from the independent financial adviser to the Independent Board Committee and the Independent Shareholders in respect of the Purchase; (iv) the financial information of the Target Group; (v) the valuation report on the Target Group; and (vi) a notice convening the EGM, will be despatched to the Shareholders on or before 27 April 2021, as additional time is required to prepare, among other things, the financial information to be included in the circular.

Shareholders and potential investors should note that the Purchase is subject to a number of conditions which may or may not be fulfilled. Shareholders and potential investors of the Company are reminded to exercise caution when dealing in the Shares and securities of the Company.
